HELEN MOORE TO GIVE PIANO RECITAL

Miss Helen Moore, gifted concert pianist, will appear in a piano recital at the Annie Russell Theatre at eight o'clock Wednesday evening, April 13th in the series of Faculty Recitals.

Miss Moore is head of the piano department of the Rollins Conservatory of Music and has appeared as soloist with the Central Florida Symphony Orchestra.

Winter Park is always glad to hear this brilliant young artist.

“GAY NINETIES” PARTY FOR NEXT WINTER

At a recent meeting of the Board of Directors of the Symphony Orchestra of Central Florida it was decided to put on a Gay Nineties Pop Concert as a benefit for the first week of February 1939. Those returning to Winter Park next season are asked to hunt up Gay Nineties clothes and have them in readiness for this occasion. Mrs. Edward S. Fownes of Maitland has been appointed chairman for the affair.

TRIBUTE PAID TO MRS. GEORGE WARREN

At the regular meeting of the Chamber of Commerce on Wednesday, April 6, a graceful compliment was paid to the guests of honor, Mrs. George E. Warren, by the presentation of a framed tribute in the following words:

"IN APPRECIATION"

Of her outstanding part in the civic and religious life of Winter Park, of her generosity in the erection of Knowles Memorial Chapel, one of America’s most beautiful religious edifices, which has been so much for the spiritual life of this community, and of the many other kindly acts that have endeared her to the hearts of our citizens, this token is presented to Mrs. Frances Knowles Warren by the members of the Winter Park Chamber of Commerce on this, the 6th day of April, A. D. 1938."

SPANISH EVENING AT BARBOUR RESIDENCE

The annual Cervantes celebration, sponsored by the Florida section of the Institute of the Spanish Institute, has become a tradition in Winter Park. This year, the celebration will be held on Saturday and Sunday, April 23-24 featuring a Noche Andalusa (Andalusian evening) at the home of Mr. R. B. Barbour, from five until seven on April 23. Music will be furnished by the Spanish Symphony, directed by Sigmor Enrico Tambolet, and the Spanish Serenaders. Tables will be reserved for guests and refreshments will be served at a nominal price. Following the director’s meeting at seven o’clock, the annual Spanish dinner and presentation of the Cervantes Medal will be held. On Sunday the American Association of Spanish Teachers will hold its meeting, including a special chapel service in Spanish and a luncheon for members.

MR. AND MRS. BLOCH GIVE JOINT RECITAL

The joint recital of Mr. and Mrs. Alexander Bloch, in the series of the Rollins Faculty concerts, drew a large and representative audience to the Annie Russell Theatre on Thursday evening. The talents of these two outstanding musicians have been enjoyed separately—Mr. Bloch as conductor of the Symphony Orchestra and Mrs. Bloch as a pianist-lecturer explaining the orchestra programs, and it was an expectant audience that came to hear them as reciters.

The program was typical of the serious minded and thorough-going artist which Mr. Bloch has herefore displayed. There were no showmanship pieces, no sensational stunts aimed at attracting applause, but a selection of music of great beauty and intimate charm.

Mr. and Mrs. Elmer Johnson will leave their winter home in Maitland next week for New York and will return to Winter Park for another visit before going to New York.

Dr. Carl Goldmark, Jr., of New York arrived Sunday to join Mrs. Goldmark and her father, Prof. E. R. A. Seligman, at the Seminole.

Mrs. W. H. Taylor left on Tuesday to visit in Phoenix, Arizona and California before proceeding to New England for the summer.

Mr. and Mrs. Frank Shay of New York are the guests of Mrs. Shay's mother, Mrs. R. P. Foley, at the Seminole for a month. Mrs. Shay is the former Edith Foley.

Mrs. Robert Zeising, grand daughter of Mrs. Sam Goss, Sr., after spending her spring vacation here, returned north by plane Sunday to Kemper Hall, Kenosha, Wis., where she is a student.

Mrs. Henry Brigham, who has spent the winter with Mr. and Mrs. Frederick W. Cady of Highland Avenue, will go the first of the week to make a visit at Williamsburg, Va., with friends before going home in Chicago.

Mrs. Harold Elliott of Chicago who with Mr. Elliott arrived in New York last week from a trip to Europe, came to Winter Park Saturday to be with her mother, Mrs. Sam Goss, Sr. Mr. Elliott went on to Chicago but will join his wife here this week and both will make a visit of two or three weeks.

Mrs. Wallace D. Williams departed Wednesday for Nehant, Mass., after spending the season at the Campbells.

Mr. Albert Shaw, Jr., who has been visiting Dr. and Mrs. Shaw, is in Palm Beach on a fishing trip. He will be back in Winter Park for another visit before going to New York.

Miss Ina L. Thrusby, of New York came over Thursday from Merit Island with her cousin Miss Thrusby and were entertained at a luncheon by Mrs. Charles Sprague-Smith and Miss Sprague-Smith. Other guests were Dr. and Mrs. Albert Shaw, Dr. Seligman and Mr. Christopher Honass. Miss Ina Thrusby is the sister of the late Emma Thrusby, for many years a prominent vocal teacher and patron of music in New York.

Mrs. Charles Pratt of the Alabama, gave a luncheon for sixteen Monday at Mrs. Lists.

Mr. and Mrs. Tracy Hoppin are among those who will remain here until the first of May. They have felt great anxiety for their daughter Barbara, who is studying piano in Austria, at the University of Vienna. A graduate in piano at Vassar, Miss Hoppin is expected home for the summer.

Mrs. Hermon A. Kelley, who has been staying for several weeks at Batchelor Pines, left Tuesday to make a ten day stay at the Sarasota Hotel in Sarasota. She will then go to her northern home at St. Remy, N.Y.

Mr. J. Edward Campbell is arriving from Atlanta Monday to spend a week with Mrs. Campbell at Virginia Court. Mrs. Campbell is on the Rollins Faculty.

Mr. and Mrs. John W. Ingle, Sr. and his wife here this week and both will make a visit of two or three weeks.

Mr. August Zeising returned to his home in Glencoe, Ill., by plane last Saturday. His daughter, Mrs. Mark Baehler, Mr. Reeter and two children returned Friday. The Zeising's house will be occupied through the summer by Mr. and Mrs. Claude Gay.

Prof. and Mrs. J. W. Wetzell, after spending several weeks with Dr. and Mrs. A. A. Kent left for New Haven this week, earlier than expected on account of the illness of a relative. Mrs. Wetzell went by plane and the professor drove their car.

Mrs. Summer Brooks will remain here until sometime in May when she will go to Cambridge, Mass. Mrs. and Mrs. Hibbard Casselberry and two children remain until early summer and then will go to the Adirondacks as usual to spend some time with Mrs. Casselberry's parents.

Mrs. William E. Casselberry is convalescing from an illness which has kept her confined for some weeks. She will shortly return to Chicago and will visit her son and his wife, Mr. and Mrs. William E. Casselberry, Jr., in Asheville, N. C. on the way.

SOCIAL NOTES

An appreciative audience of music lovers attended the joint recital of Gretchen Cox, violinist, Enrico Tamburini, cellist, Helen Moore, pianist, and Richard Burns, bassoonist, at the Annie Russell Theatre last Friday. This series of Faculty Recitals has proven one of the popular innovations of the music season and it is to be hoped that they will be continued next year.

Mrs. Carlyle Morris and three children returned to Oak Park, Ill., after a month's visit with her father, Mr. W. P. Bingham, Mr. Bingham, his daughter, Miss Doris and Mrs. Applegate, all of whom have been spending the summer on Henkham, his daughter, Miss Doris and Mrs. Applegate remain in their home in Newbury, Vt.

Mr. and Mrs. Bucklin Moon of New York and Mr. and Mrs. Olof Deming of Fairfield, Conn., all recent graduates of Rollins, made a brief visit in Winter Park last week and were entertained by Mr. and Mrs. George C. Holt.

Mr. and Mrs. R. C. Steele departed Monday for Lake City, Minn., after staying at the Lincoln all season.

Mr. and Mrs. Hendrik Brooman with their daughter, who have spent their first winter here will stay until the schools close and then go to Minneapolis.

Miss Ann Bishop of Summit, N. J., who has been spending her vacation at Wellesley College with her aunt, Mrs. J. S. Capen. Mrs. Capen will remain at her home here until early summer.

Dr. and Mrs. Francis Palmer and daughter of St. Paul, Minn., came over Saturday from DeLand and visited friends in Winter Park.

Mrs. E. H. Gipson of the Lincoln, who has been spending her vacation at Boothbay Harbor, Me., returned late in September to Winter Park.

The Rev. Dr. Octavius Applegate and Mrs. Applegate remain in their recently purchased home on Henkham Drive until July, then are planning to visit their children and other relatives in Morrictown, N. J., Utica, N. Y., and Wellesley Hills, Mass. Later in the summer they will visit Mrs. Applegate's sister, Mrs. Warren Titus and Mr. Titus at Ogumquit, Me., and friends and former parishioners in New Hampshire. They will return late in September to Winter Park.

Miss Helen Gipson a few days ago and both are leaving for the north today by motor. They will visit friends in Swarthmore, Pa., and other places and spend the summer in New England. They will go to their home at Fairbanks, Minn., in September.

Mr. P. F. E. Gunnell and sisters Miss Francis and Miss Ann Atkins will go north about the middle of May to spend the summer at their home in Newbury, Vt.

"The Time has come," announces the Latch String, "when we fold up our things and pull in the latch for the summer; however, one week remains for the last minute luncheons and bargains in gifts before our closing at 8:00 P.M. on April 17."

We hope to greet you next season.

LAKE FOREST, ONE OF THE BEAUTY
SPOTS OF CENTRAL FLORIDA

The section known as Lake Forest comprises the large area between Lakes Mizell, Virginia and Berry with the orange groves at the lower part. This is an historic region of great interest and beauty, being the location of some of the earliest orange groves in Central Florida. Lake Mizell is named after David Mizell, who purchased a large tract here in 1858 and built a log house. Since coming into the ownership of the Genius family, Lake Forest has been landscaped and beautified with a view to making it one of the most attractive residential sections in Florida. The road, Genius Drive, was laid out and planted with flowers and shrubs so that it is a veritable bower of beauty. It was named in memory of his wife, the daughter of Charles H. Morse. Some of the oldest and largest oak trees are located on the tract and give it the appearance of a quiet grove through which the gleaming waters of the lakes are seen in perspective. Mr. H. A. Ward, supervisor of the Genius properties, which are grouped under the Winter Park Land Company, laid out the drive and has made the care and beautification of the property his especial responsibility.

Dr. Richard and Dr. Arthur Genius have built in Lake Forest. Whether you ap-

plez the eye for their intricate and artistic designs. The walls of the living room are done in pastel tones, the draperies and furniture harmonizing. This room looks out upon the lake or over the lawn to the entrance through large arched windows. The dining room adjoins to the right and its windows open on the lake.

The ceilings of the living and dining rooms have exposed cypress beams which have been stencilled in Mexican designs and colors that tone in the general color scheme. At the south-west end of the living room is a large covered porch with smart wicker lounging chairs. The front of the house fac-
ing the lake is a wide terrace with a Spanish tiled fountain as its cen-
tral feature. From the fountain runs a coquina cascade to a spacio-

ous swimming pool which has electric lighting for night bathing. The tiles on the fountain are espe-
cially rare and beautiful and are said to be almost the last tiles of its kind to come from Spain before the civil war closed down the industry.

A charming feature is the bal-

cony over the front porch where it is planned to place a small or-

chestra when music is desired. The master bedrooms are on the second floor and are finished in the modernistic manner. The tile baths are especially decorative. The Genius residence has been very substantially built as an al-

NEW RESIDENCE OF DR. RICHARD AND DR. ARTHUR GENIUS IN LAKE FOREST

Few residences in Winter Park enjoy the remarkable setting of the new home which Drs. Richard and Arthur Genius have built in Lake Forest. Whether one ap-

proach it from the wind-swept

country-wide, wherever an area

must depend upon long distance reception, the thing to do is to work for a National Broadcasting Station in Orlando.

Station WDBO gives us the Co-

lumbia broadcast perfectly, but ex-

cept for the Sunday programs there is very little of interest for the average intelligent radio listener. National carries the better programs, and for the winter visit-

ors particularly, who are accust-

omed to enjoying them at home, and many of whom depend upon them largely for their evening en-
tertainment, it is disappointing and exasperating to try to get music or speeches or their home news set to a steady accompaniment of a good imitation of machine gun fire, with frequent fade outs of both program and artillery.

Miss Joyce Boweman of Chi-

cago is here for a two weeks’ visit with Mr. and Mrs. R. E. Crummer.

North End Circle

This month the North End Circle of the Winter Park Garden Club will hold its meeting on the 13th at the home of Mrs. Ernest G. Kilroe. Mrs. J. Seymour Capen will talk on "The Mysteries of Plant Life".

LAKE FOREST

Winter Park’s Choicest Location

Lake Forest consists of some two hundred acres sur-

rounded by the group of beautiful Lakes Virginia, Mizell and Berry, and enhanced by a profusion of great live oaks, magnolia and palms to which have been added ornamental shrubs and azalea beds.

The property has recently been greatly improved and a hard surfaced road built. The entrance to Lake Forest is from Osceola Avenue turning right just after crossing the canal bridge following “Scenic Drive” signs. Drive out to Lake Forest and enjoy the views across Lake Virginia to the Rollins Chapel Tower.

All conveniences of Winter Park are available to homes built on this tract. Inspection and inquiries invited.
I've lived in Winter Park since 1933 when I retired from the business I started in New York City. My name is John L. Houston.

Mr. John L. Houston of Winter Park and formerly of Mountain Lakes, New Jersey, died at the Orange General Hospital, Orlando, Sunday evening April 3, following an operation. Mr. Houston is survived by his wife, Lila M. Houston, two sons, John M. Houston of Morristown, N. J., and Norval R. Houston of Detroit, Mich., and a daughter, Mrs. Thomas W. Martin, Jr., of Martinsburg, W. Va.

Mr. Houston has lived in Florida since 1923 when he retired from business in New York City where he was Associate Superintendent of the Liability Department of the Fidelity & Casualty Company, Emeritus of the American University Club, First Vice-president of the Chamber of Commerce, a member of the Men's Circle of the Garden Club, and an active member of the Congregational Church of Winter Park.

The family moved to Mountain Lakes, New Jersey, a newly formed residential park thirty miles west of New York City. As the head of the eighth family to move to this pioneer community, Mr. Houston was largely instrumental in the establishment of many of the town's organizations.

Mr. Houston was the first director of the Glee Club, 80 voices, the director of the Community Church Choir and a member of the church consistory, first President and a founder of the Mountain Lakes Association, he did much to further the growth of the town. He had a keen appreciation of good music, and rendered continual service along musical lines.

Mr. Houston's death came as a shock to his host of friends in the place where he has lived. His associations in business and in his social and musical life held him in high regard, and on several occasions in Mountain Lakes he was the recipient of gifts and testimonies of appreciation for his services.

Mr. Houston's daughter and two sons arrived in Winter Park late Sunday from their respective homes in the north.

Funeral services were held on Tuesday afternoon at the family residence in Winter Park. The Rev. Victor B. Chicoine officiated, Dr. Lucius C. Clark, Chancellor Emeritus of the American University assisted. Mr. Houston was buried at Palm Cemetery, Winter Park.

Dr. Chalmers was given an enthusiastic round of applause as he made his farewell remarks.

A. A. U. W. To Raise Money For Fellowships

The American Association of University Women is putting the map of Florida before the public this year by the sale of a smart, new "Florida stamp," printed in sunshine colors and intended to be used in the same manner that Red Cross tuberculosis stamps are now used at Christmas time. The new Florida stamp shows the head of Uncle Sam with the map of Florida forming his whiskers! The money raised from the sale of this unique stamp will be used at Christmas time. The new "Florida stamp." printed in sunshine colors and intended to be used in the same manner that Red Cross tuberculosis stamps are now used at Christmas time. The new Florida stamp shows the head of Uncle Sam with the map of Florida forming his whiskers! The money raised from the sale of this unique stamp will be used at Christmas time.

In 1927 the National A. A. U. W. voted to raise a million dollar fellowship fund. (The interest on a million dollars will make the fund self-perpetuating.) The eleven branches in this state are all cooperating in the sale of the Florida stamp. Dr. Elizabeth Jackson of Garland St., Orlando is director of the South Atlantic section of the A. A. U. W., of which Florida is a part.

Dr. Martha E. Jones, a holder of one of the A. A. U. W. fellowships has made outstanding discoveries concerning the proper diet for the prevention of tooth decay. The A. A. U. W. has aided women of all nationalities to continue their studies. Dr. Consuelo Vadillo, the first graduate woman physician in Yucatan, was awarded the Latin American fellowship. She returned home after an intensive course of study at Johns Hopkins University Medical School, to care for the women of her country. These women, because of the traditions and conventions of their land, often go without medical aid in preference to consulting a man physician.

Dr. Margaret E. Maltby, the first woman to receive a doctor's degree in physics from a German University, was able to continue her scientific researches by the aid of an A. A. U. W. fellowship. Her name is starred in American Men of Science.

Miss Mildred Olmstead of Muriel Avenue, Orlando, is a fellowship chairman of the Orlando-Winter Park branch of the A. A. U. W., and will be in charge of the local group distributing these new "map of Florida" stamps.

CIVIC LUNCHEON

The Civic Luncheon will be held at the club house Wednesday, April 13, at one o'clock, Mrs. William Wadkins in charge. First subject: "The New Golf Course." Speakers: Mrs. Phillip E. Stillman and Mr. Homer Gerd. Second subject: "The Mead Botanical Garden." Speaker, Dr. Edwin G. Greer. Members will please note that guests are admitted by card only.

Friday, April 13, is Good Friday. The regular meeting for that day will be omitted.

FOUR CIRCLES TO MEET

The four circles of the Winter Park Garden Club will meet on Wednesday, April 13, at ten o'clock in the morning. For the East Central Circle Miss Herron will be hostess, and "Lilies" will be discussed by Mr. Wyndham Hayward. Mrs. E. G. Kilroe will be hostess to the North and Circle, and Mr. Jack Connery will talk on "Mead Memorial Garden." The Virginia Heights Circle will meet with Miss Caroline Wollaston and Mrs. Shatwell will give a talk on "The Home in America." There will be a display of rare Miss D. J. Cogan will be hostess to the Maitland Circle, and Miss Stella Waterhouse, Librarian of the Maitland Library, will give a "Review of Garden Books and Magazines."

AT THE ALABAMA

Dr. Charles L. Durham, Professor of Classics in Cornell University, arrived at the Alabama Tuesday for a visit of a day or so. Professor Durham addressed the annual dinner of the Cornell Club of Central Florida Tuesday evening at the Orlando Country Club. Mr. and Mrs. G. H. Wheeler of Chicago have returned for the rest of the season. They recently purchased a home in Winter Park, and will make this their permanent winter residence.

Other arrivals include Mrs. William, Mr. Harris, New York City; Miss Matson A. Smith and Miss Clarence C. Smith, Milwaukee; Mr. and Mrs. Truly Warner, of New York City.

In the galleries of The Alabama there are being exhibited this week a series of water color paintings by Mr. A. B. Towbridge of Washington, D. C., and a number of Swedish posters by Miss Helen Clarke. The public is cordially invited to review these exhibits.

There will be no meeting of the Friday Morning Reading Group on Good Friday, April 15th.

actor. In fact it must be said that Mr. Bloch is a violinist of the intimate type, achieving his artistic effects more by the spiritual quality of his interpretations, a tone of colorful beauty and a suave, well-established certainty of technique. These fine points of his performance do not always bring the fullest satisfaction and one at times misses the streaming fire of tone that is expected in those great passages, for example, that Cesar Franck has limned for his interpreter in the marvelous Sonata in A which opened the program.

The playing of Mrs. Bloch is characterized by a vigor and breadth that need to be brought into a more homogeneous dynamic character for the best results in ensemble playing. Mr. Bloch's dominant characteristic of refinement and intimacy in performance enables him to achieve highly enjoyable effects in his meter; Mrs. Bloch, being more dynamic works in a more vigorous style and the result is to overemphasize the piano part. This fault became less noticeable as the program proceeded and the final numbers were played with a more perfect union that is expected in those great passages.

The program was as follows:

- Sonata in A
- Cesar Franck
- Preghiera Per Il Mio Amico
- Hebranico Pizzetti
- Chaconne
- Pizzetti
- Piece en Forme de Habanera
- Maurice Ravel
- Nocturne

All competitions in the tournament will be held in the Annie Russell Theatre beginning at 2 P.M. and 4:15 P.M. The elimination contest in debate will be held after the afternoon program, the final debating contest and the oratorical contest to be conducted at the evening program.

In addition to the cups, Rollins College is donating gold medals to the two members of the winning debate team, silver medals to the members of the runner up debate team, and a gold medal to the winner of the oratorical contest. According to an announcement, the public is invited to attend both programs of the tournament without charge. Dr. Harry R. Pierce, professor of speech and coach of debate at Rollins, is chairman of the tournament.

19th ANNUAL SWIM MEET AT ROLLINS

Eighteen high school teams have filed preliminary entries for the Nineteenth Annual Florida State Inter-scholastic Swimming Meet to be held at Rollins College on Saturday, April 96, Plitwood D. Peeples, director of the meet, announced today.

The list of entries includes eleven boys' teams and seven girls' teams.

Schools which have indicated their intentions of entering both boys' and girls' teams are St. Petersburg, Bolles School of Jacksonville, Eustis, Orlando, Hillsborough of Tampa, Winter Park, Hernando High of Brooksville, and St. Petersburg. Palm Beach will enter a girls' team only, while the schools that will enter boys' teams are St. Augustine, Florida Military Academy of St. Petersburg, Rollins School of Jacksonville, Unatilla, Mountverde School, and High Springs.

More than $300 worth of trophies and prizes will be offered this year. The trophies will include cups for the championship teams in the boys' and girls' classifications, and the high point boy and high point girl. Medals will be awarded to the first three first place winners in each context.
