COMMUNITY MEETING FOR NEAR EAST HELP

Dr. Albert Shaw, who has been chairman for several years of the Winter Park committee of Near East Foundation, announces that the committee is sponsoring a Community Meeting for the benefit of Near East Foundation, at which Dr. Alice C. Clokey will speak, on Sunday afternoon, February 28th, at four o'clock, at the Congregational Church.

There also will be a number of women who have served in the Near East during the days of the Near East Relief or who have been members of the Board of Trustees of that organization, when 138,000 children were being cared for by American philanthropy in the aftermath of World War I.

Dr. Clokey, who will be the principal speaker, is a graduate of Anti- och College and the Johns Hopkins School of Nursing. She was one of the first nurses to go overseas in the World War. After the War she served with the Red Cross for a year in Poland; with Dr. Reeder's Commission in Siberia for a year, and spent a year developing child services overseas.

MEMBERSHIP DRIVE TO ASSURE CIVIC MUSIC
ASSN. CONCERTS CLOSES SATURDAY NIGHT

That music is one of the most valuable means of sustaining civilian morale is generally recognized, and the annual membership drive of the Civic Music Association of Central Florida is being carried out this week by an enthusiastic and conscientious group of men and women led by Richard Sias and Winter Park.

Since its organization a few seasons ago the Civic Music Association has brought here some of the leading virtuosos and organizations before the public. Through the generosity of large memberships, the association is enabled to present artists who could not otherwise be heard in Central Florida.

Mrs. W. K. Nelson is the leading spirit in Winter Park in the drive for memberships, and she has the assistance of Mr. R. F. Leedy, whose store near to the Harris Hotel is a convenient place to stop in and sign up.

Also assisting secure memberships in Winter Park are Mrs. Richard Sias, Miss Martin Penning, Miss Donald Seavill, and at Rollins College, Miss Helen Moore, Miss Mabel Ritch and Mr. Bruce Dougherty.

The drive will close on Saturday night at the headquarters in the Anguilla Hotel, Orlando, and it is hoped that everybody who loves the best music will add his name to the list before that time. A large membership will assure attractions of the first magnitude.

The announcement that Claudia Arrau, the distinguished concert pianist, will take the place of Rachmaninoff, who was scheduled for Feb. 21, has been received with much satisfaction. The great Russian has not been in the best of health recently and has been obliged to cancel many of his concerts. Arrau will be heard in the Auditorium Sunday night, Feb. 28.

Claudio Arrau has had the biggest piano tour since Paderewski's 67 appearances for the 1933-34 season including 21 solo with New York Philharmonic Symphony; Philadelphia Orchestra; San Francisco Symphony; St. Louis Symphony; Cleveland Symphony; Chicago Symphony; Kansas City Philharmonic; Minneapolis Symphony; Cincinnati Symphony.

WINTER PARKIANS HONORED FOR ACHIEVEMENTS AT ANNUAL CONVOCATION OF ROLLINS COLLEGE

The fight to hold the Ration Board in Winter Park is dramatically stated in a communiqué from Arthur Schnitzler and J. J. Henney, co-chairman of the drive as follows: $1850.00 has already been subscribed and paid in. The balance of $500.00 will have to be raised before Friday night, when the board goes to Orlando.

The committee and all of the members have done an excellent job in soliciting funds, and now it is up to the people of Winter Park who haven't contributed to do their share. They are asked to finance their money with Arthur Schnitzler at the Winter Park Land Company, Mr. Henney at the Virginia Inn or Mr. Rosenfelt at the Florida Bank; and the money must be in hand by Friday night, February 28th, as this is the deadline.

If the campaign to raise this money fails, all money that has been subscribed will be returned to the various contributors. If and when the money has been raised, it will be disbursed by a finance committee composed of Mayor E. C. Baker, H. W. Caldwell, secretary of the Winter Park Chamber of Commerce, and W. R. Rosenfelt, president of the Florida Bank.

The chairman and all of the members of the Winter Park Rationing Committee are to be congratulated on the good work which they have done in the past two or three days in soliciting War Ration Book No. 3.

WINTER PARK TOPICS, FRIDAY, FEBRUARY 26, 1943

Mrs. Frederick B. Fisher leaves next week for St. Petersburg, Sarasota and Tampa to give a series of lectures and radio talks. She is being sent out by the China Relief organisation. Before leaving she is broadcasting from the Orlando radio station. Mrs. Fisher is staying with Miss Elizabeth Perkins during her stay here and will return after her speaking engagements are ended.

Miss Elizabeth Perkins, widely known in the theatrical world for many years, and a close associate of the late David Belasco, has joined our colony of distinguished residents. Mr. Taylor and his wife have taken a house on Avenue Antequera.

A. E. Thomas, also distinguished in the theatre, whose arrival was reported in Winter Park Topics recently, was around the other day to hear that his friend, Taylor, was in town. After making inquiries he found to his astonishment that he was living in the same block, two doors away.

Out-of-town guests who appeared on the Animated Magazine or who received honorary degrees from Rollins College have departed for their homes after the two-day festivities which included the Convocation exercises Monday morning. The contributors were welcomed by hospitable Winter Parkians who were their hosts. Dr. Holt entertained Jean Harlow at the President's house and Dr. and Mrs. Albert Shaw were hosts to Mr. Sayre. The Rev. Tage Sjelin of Palm Beach, was the guest of Bishop Paul Matthews, Mrs. J. Malcolm Forbes, who came down from Cambridge, Mass., for the occasion was entertained by Prof. and Mrs. Royal W. France. Mrs. Forbes and her husband were the guests of Mayflower Hall. Miss Jeannette Genius returned to New York Wednesday afternoon being with her uncle and aunt, Mr. and Mrs. Harry W. Stone. Lied Lied, foreign correspondent who contributed to our magazine, visited the city and spent the evening at the home of Mr. and Mrs. D. C. Barbour, opposite the Country Club. Barbour, opposite the Country Club. Barbour, opposite the Country Club.

Mrs. Elizabeth Tilton to Tell Tales of Puritans

"Were Those Puritans So Awful?"

Upon this intriguing subject, Mrs. Elizabeth Tilton will speak Monday, March 1st, at 4:30 P.M. at the church of Mr. and Mrs. R. B. Barbour, opposite the Country Club, continuing the series of lectures being given by the Winter Park Unitarian Woman's Alliance. The fourth lecture on the following Monday will also be held at the Barbour's Espah house, the speaker being Joseph Lindon Smith, artist, archaeologist and historian. Mrs. Tilton needs no introduction as she has given her reminiscences of New England, especially its past, on other occasions in Winter Park. She herself, through her mother, is related to several families along the seacoast, whose brave sea-dogs found their way to the Indies, but whose business and influence was unseated by Jefferson's embargo and the coming of what the shipping aristocracy were pleased to call the "mill-rich." She will tell old romances of the sea, and the transition from water-fall, that is, from ship to factory.

If you want to wander in box-edged Puritan gardens, hear how lovers dressed to go courting, what they said in pleasant summer houses, of fortunes made out of the sea, of deeds of daring, especially those that gave on what we prize today, our democratic way of life, come and hear Mrs. Tilton's tale, handed down through the old sea-faring Puritan world, tales that include the ancestors of many a Winter Park resident, including Dr. Hamilton Holt, Dr. Eugene R. Shippen, Mr. Luman Goodenough, Mrs. Alexander Trowbridge, whose family lent the lovely orchard, almost in front of which George Washington took command of the army, Mr. Charles Hodges, Miss Harriet Smith, Mr. Duncan Phillips, the authority on Salem, and others.

A small fee will be asked at the door as these talks will be for the benefit of the war work sponsored by the Unitarian woman.

On Tuesday evening Miss Mary T. Spooner of Boston, entertained her fellow guests at the Seminole and other friends in Winter Park with a concert at the hotel by Morton Schoenfeld.

THE BACH FESTIVAL
As the Bach Festival is being
held on the publishe dday of Win-
ter Park Topics our review will be
printed in next week’s issue, Fri-
day, March 4th.

The Eighth Annual Bach Festival
opened yesterday afternoon, Thurs-
day, Feb. 25th at 3 p.m., with
the performance of three favorite canto-
tates, "A Stronghold Saved," "God’s
Time is Best," and "Sleepers Wake."
Last night a special pro-
gram of parts of the "Passion Ac-
ing to St. Matthew" was given for
the benefit of the choristers
and their families and friends.
The Festival continues tonight
with the rendition of the "Passion
According to St. Matthew," Part I
at 3 p.m., and Part II at 7:30 p.m.

Dear Edmonds:

In 1925 the New York Southern Society, in order to perpetuate the memory of its esteemed founder and first president, established the Algernon Sydney Sullivan Award. The following year, Rollins College was honored by being chosen as one of a limited number of American colleges and universities to which was given the privilege of bestowing upon worthy recipients the Algernon Sydney Sullivan Medallion.

The award may be given each year to not more than one man and one woman of the graduating class and to one other mature citizen, who need not be a graduate here or elsewhere. The purpose of the award is not to emphasize mere intellectual achievement, professional ability, financial or social success, but is to recognize the finer qualities of mind and heart, reverence, understanding, good courage, helpfulness, faithfulness, and unselfishness—a steadfast pursuit of the nobler purposes of life, all of which were characteristics of him for whom the Award is named. It is an honor to be deserved rather than won.

Today, Mr. President, as chairmen of the Algernon Sydney Sullivan Award committee, it is a pleasure to nominate for the Algernon Sydney Sullivan Medallion in full knowledge that it is richly deserved and modestly received.

Mr. President:

Frances Knowles Warren, good daughter of a good father, the Algernon Sydney Sullivan Award, Frances Knowles Warren.

President Holt:

Frances Knowles Warren, good daughter of a good father, the Algernon Sydney Sullivan Award. It is bestowed upon anyone in recognition of social position, worldly possessions or mere personal achievements, however praiseworthy, but in recognition of certain spiritual qualities which were so finely exemplified in Mr. Sullivan’s life and conduct. Because you have possessed, in grade and measure, an understanding mind and an eagerness to share with others your strength and resources, particularly because of your deep concern for the spiritual culture of youth, Rollins College awards you the Algernon Sydney Sullivan Medallion in full knowledge that it is richly deserved and modestly received.

Mr. President, I have the honor of presenting to you George Howard Opdyke for the degree of Doctor of Science.

President Holt:

George Howard Opdyke was born in New York City and is in the exception to the rule that only the country can produce leaders. He received his Bachelor of Arts degree from Wesleyan University, his Master of Arts from Columbia University and his Doctor of Philosophy in economics and finance from New York University. He then began his career as a mining engineer and petroleum geologist and in pursuit of his profession he has travelled extensively in Canada and Mexico, Europe and the United States. It is not likely that our singers are marked superior to those found in other colleges. But it is beyond question, the genius of the leader that has made us choose what it is, and genius is not too strong a word to use in connection with Mr. Knowles’s chorale conducting.

Winter Park is fortunate in having attracted leaders in branches of art and science. Mrs. Isabel Sprague-Smith came here to live. She heard the choir. She thereupon organized the Bach Festival with Mr. Knowles as the conductor. For years now the greatest works of the greatest composer of church music has been given annually. The Bach Festivals of Winter Park are probably unsurpassed in both your vacation and avocation, for the factory of your interests, for the services you have rendered and are rendering in the communities in which you live, Rollins College confers upon you the degree of Doctor of Science and authorizes you to use it in all its rights and privileges.

CHRISTOPHER O. HONAA
(Nomination by Dr. Wendell C. Stone, Dean of the College.)

Dean Stone:

Christopher O. Honaa has conducted choirs since he was a Junior in the High School. After receiving his baccalaureate and masters degrees, he came to Rollins eleven years ago. Her took charge of Music Education and taught Theory of Music. At that time the choir was conducted by a member of the English faculty. But when that professor left college, Mr. Honaa was made choirmaster. Since then Rollins has undoubtedly perfected one of the finest church choirs in the South, if not in the country. It is not likely that our singers are marked superior to those found in other colleges. But it is beyond question, the genius of the leader that has made us choose what it is, and genius is not too strong a word to use in connection with Mr. Honaa’s chorale conducting.

Winter Park is fortunate in having attracted leaders in branches of art and science. Mrs. Isabel Sprague-Smith came here to live. She heard the choir. She thereupon organized the Bach Festival with Mr. Honaa as the conductor. For years now the greatest works of the greatest composer of church music has been given annually. The Bach Festivals of Winter Park are probably unsurpassed in both your vacation and avocation, for the factory of your interests, for the services you have rendered and are rendering in the communities in which you live, Rollins College confers upon you the degree of Doctor of Science and authorizes you to use it in all its rights and privileges.

Country Club with 35 Crimson men Tuesday night at the Winter Park. President George W. Woodbury welcomed the members and introduced Mr. William E. Stark, secretary of the Winter Park University Club as toastmaster.

Prof. William M. Cole of the Harvard Club, with 85 Crimson men in attendance, included four from the Army units of the AAFSAT in Orlando. President George W. Woodbury welcomed the members and introduced Mr. William E. Stark, secretary of the Winter Park University Club as toastmaster.

President Woodbury and Mr. Stark welcomed the service men to the meeting and the members joined in a discussion of Harvard in the past and the war time activities. Prof. Frank Varnum responded for the Harvard men in the armed forces.

All evening, Prof. H. D. Sleeper led in singing and told humorous anecdotes of Harvard life. Franklin Remington gave recitations of Crimton in the '80's, and Mr. Stark expressed the club's regret at the absence of Dr. A. K. Kliphin, one of the active organizers of the club, who was on military duty for the evening.

The group included graduates of several of the schools of the university, including the college, medical, law and other faculties.

A. W. Y. S. NOTES

Through Newton Merrill's generosity, the exhibit of his fine paintings, given for the benefit of the A. W. V. S. Mobile Kitchen, was a great financial success, netting us well over one hundred dollars. This makes it possible to go to isolated camps and bring cheer to lonely soldiers. Anyone wishing to donate five dollars to cover the expense of a trip may do so by sending their contribution to the A. W. V. S. Centre.

There will be a membership meeting at A. W. V. S. at 2 p.m. on Monday, March 1st. All members and those interested in our work are asked to attend this meeting.

The lucky one to receive the Channing Hare gift portrait will be chosen Sunday night at 8 o'clock by the Hon. Mayor Baker. A birthday cake was donated and turned on this benefit must be in no later than 3 p.m. Sunday, Feb-

uary 20th. We are sure there will be a large attendance for this very special occasion. The time is 8 o'clock—the place A. W. V. S. Centre.

We are again reminding you that A. W. V. S. takes blood donors to the Orange hospital on Thursdays. Several were taken last week. Volunteers must be between the age of 21 and 60.

A. W. V. S. volunteers assisting in the distribution of Ration Book No. 1 are working faithfully. Information desks in each of the Winter Park grocery stores will be manned by A. W. V. S. volunteers all week to assist customers in figuring the point system.

A very successful dance was given last Friday evening at the Woman's Club for 50 service men.

A birthday cake was donated and cut by one of the boys whose birth came on that date. Mrs. Hoog and Mrs. Klaw were hostesses.

2. They have processed and completed over 4,500 applications, and all of the workers are to be highly commended for their good work; and when you consider the fact that 186 volunteers gave their services for this purpose and not a single one was late to report for duty, it is an example of which we can all be proud and a thing for which they deserve a great deal of credit.

Mr. Foster R. Fanning, as chairman, is also to be commended on having such a wonderful organization that works so smoothly. In fact, during the first day of issuing the No. 2 books, Mr. R. D. Smith, one of the members of the board, reported that these books were being issued at the rate of six per minute; and if the people of Winter Park can get service of this kind and do not appreciate it, then they really do not deserve a rating board in Winter Park.

This is the last appeal that the committee will make to the public. We ask each one who has not subscribed to do so immediately. Please send or take your subscription to W. R. Rosenfelt, treasurer of the Rationing Board committee, Florida Bank, Winter Park.

That Mr. Arrau comes to the United States from South America lends him deeper interest, and concert audiences throughout the country are thrilling to his dual message, of good music and good will.

His reviewers give this brilliant musician a distinct place in the musical world, and it is said that the Central Florida Civic Association members will be most fortunate to hear him.

FISH-HOOKS, KNIVES
SCISSORS WANTED

Mrs. Philip Stillman, under the auspices of the A. W. V. S., is collecting small mirrors such as come in ladies’ handbags, also fishing lines and fish hooks to be sent to the Medical and Surgical Relief Committee of America to be put in emergency kits that go to the Navy and Submarine Chaser bases.

The mirrors are used for signaling and the fishing tackle may save the lives of men stranded in lifeboats. Remember Eddie Rickenbacker’s experience.

All such articles may be left at A. W. V. S. headquarters, 121 Lynx Avenue, Winter Park. Please respond promptly, as the need is great.

ANTHUMS

President Holt has invited the members of Miss Robie’s class in the Study of Antiques to meet at his home, 208 Interlachen Avenue, on Friday morning, March 5th at eleven o’clock. This is an annual event eagerly anticipated as President Holt’s collection is magnified, including Staffordshire statuettes, Currier and Ives prints and fine old furniture.

Today, February 25th, the seminar will take place in the art studio and home industries. For those who were unable to see the films at the opening reception, the Art Department is arranging additional showings of the pictures throughout the month of March. The first will be on Monday afternoon, March Ist at 4:30 p.m., at the Morse Gallery of Art, foot of Holt Avenue, Winter Park. The public is cordially invited and no charge for admission will be made.

MOVIES OF CANADA

AT MORSE GALLERY

The Morse Gallery of Art at Rollins College, Winter Park, announces the showing of moving pictures of Canada. Because of its interest in the current exhibition of the Arts and Handicrafts of French Canada now on display at the gallery, the Canadian government has loaned the college a group of short films depicting Canadian scenes and home industries. For those who were unable to see the films at the opening reception, the Art Department is arranging additional showings of the pictures throughout the month of March. The first will be on Monday afternoon, March Ist at 4:30 p.m., at the Morse Gallery of Art, foot of Holt Avenue, Winter Park. The public is cordially invited and no charge for admission will be made.

MAKE YOUR PERMANENT HOME
IN WINTER PARK

The Board of Realtors of Winter Park foresees a steady growth of permanent homes in our City. The day of the “tourist” is changing to the day of the all-year resident. The change is being accelerated by war conditions.

War conditions emphasize more than ever before the benefits to your physical health and your pocketbook of making your permanent home in Winter Park. War conditions emphasize the hazard you take of getting back to Florida winter after winter. War conditions, of course, will not last forever, but they are bound to affect our living in every way for many years to come. You can solve the problem just as many others are doing by making your permanent home here.

Old scissors and knives, especially with wooden handles are also wanted. Sample kits will be put on exhibition at the Recall Drug Store today and tomorrow.
